

# 2022 Congressional Visits Day (CVD) virtual Wednesday, April 6, 2022

Thank you for seeing us \_\_\_\_\_ so our voices may be heard. Before we start would you like to introduce yourself?

To respect your time when do you need to leave?

This Colorado team of engineers are experts in their fields and influencers in their communities and organizations and speak with experience and education.

Please let me introduce each briefly:

Name	Intro/Bio
Yvonne Gray CO-06	Scientist and Engineer, Living in Littleton/Highlands Ranch, Colorado. Chair of the joint IEEE Aerospace and Electronic Systems and Signal Processing Societies in the Denver and High Plains area. Spearheading organizational engagement with the local membership and communities.
James Look CO-02	Jim Look is an electrical engineer living in Boulder (Congressional District 2). Jim spent the vast majority of his career in various engineering management positions for Saudi Aramco. Based on his experience of living in Saudi Arabia for over 20 years he is interested in protecting the competitiveness of US technology companies. Both of his children graduated from CU Boulder thus he has an interest in expanding University R&D funding especially in the fields of cyber security and energy systems.
Mark Milliman CO-02	Mark Milliman: A 20 year resident of Boulder County Colorado in CD-2 with over 35 years experience creating and delivering leading-edge telecommunications products and solutions to the world's telecommunications service providers through start-ups and Fortune 100 companies.
John Sloan CO-03	John Sloan (Arvada CO-07) is a self-employed software engineer in the telecommunications and related fields. Since 1976 he has worked in the enterprise, defense and intelligence, business aviation, big science, and academic sectors.
